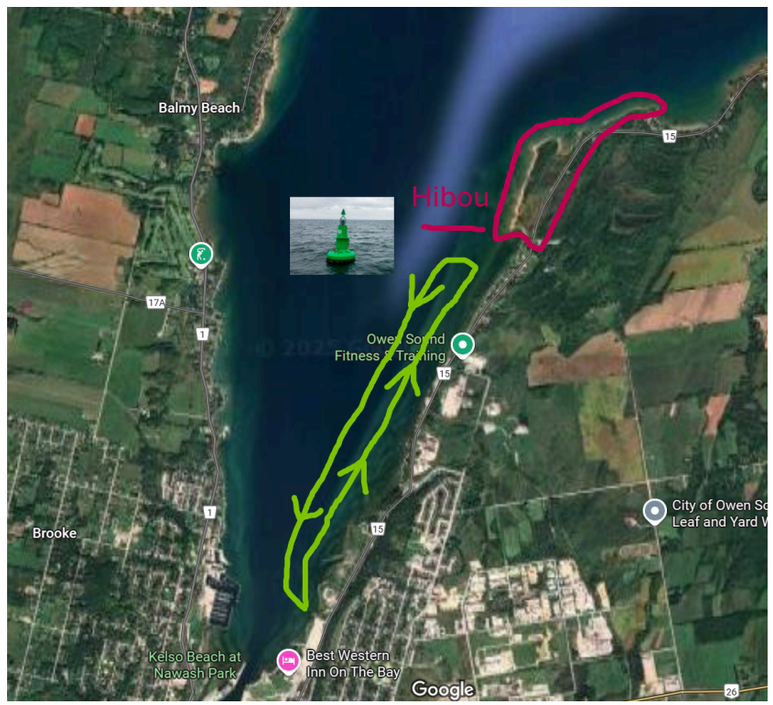
Owen Sound Rowing Club

NAVIGATION MAP AND FLOW PATTERN

THE RECOMMENDED FLOW PATTERN IS SHOWN BELOW. MEMBERS ARE ENCOURAGED TO REMAIN CLOSE TO THE EASTERN SHORE OF THE SOUND. **DEVIATION FROM THE FLOW PATTERN BELOW IS AT THE MEMBER'S OWN RISK.**

Members using their private equipment are encouraged to follow the same flow pattern for their own safety.



Rules for going to the Green Marker:

- It is after daylight and before 11 am
- There are favourable weather conditions with adequate time to return to the boathouse.
- At least one person in the boat has 3 years of rowing experience and the person steering the boat has previous experience steering/bowing
- All rowers wear a PFD and a safety kit/throw rope is in the boat
- All rowers stay within sight of each other

Rules for going past the southern point of Hibou, formerly known as Squaw Point:

- Same as the rules for going to the Green Marker PLUS
- You are aware that the safe landing spot is the shoreline along Hibou Conservation Area
- One rower must have a phone or communication device with them
